Sunnywood  
Project

## Family Activities

Throughout the day there will be opportunities to take part in free, open events, from art installations to bug hunts, we guarantee there will be something for everyone, every age and every ability.

## Interactive Trails

Maps and details are available at the Main Festival Entrance

### The Burrs Quest

Can you navigate The Burrs Country Park to locate the hidden chest containing the GOLDEN DRAGON EGG?

This is a self-led interactive trail. Adventurers who complete the trail will receive a mini treat from the chest. Approx time to complete 1 - 2 hours

### The Burrs History Trail

Discover the History of Burrs Country Park on this self-led adventure.

Locate all the QR code signs and scan them to watch a family-friendly video to learn more about the history of the park.

Approx time to complete 1.5 hours

Explore. Learn. Grow.

# SUNNYWOOD SUMMER 1ST JUNE FEST

As a non-profit, charitable organisation, dedicated to using the outdoors to enrich lives, the proceeds from all our adventures help fund and sustain our youth service and other community activities that promote the benefits of embracing the outdoors.

With the emphasis on exploration to improve physical, mental and social wellbeing and less about competitive times or distances, our adventures are all led by a qualified, knowledgeable and experienced team who will provide encouragement, support and humour along the way.

## FAQs

### Food and Drink

Unfortunately, we are not able to have food and drink vendors for this year's festival.

We also ask that no alcohol or BBQs, disposable or otherwise, are brought into the Festival. Please ensure you bring a picnic, snacks, or even your own portable four-course meal if needs be! However, we will have water points - So be sure to bring a refillable water bottle or container.

### Toilets

We will have portaloos onsite a short distance away from the main activities

### Dogs

You are more than welcome to bring well-behaved dogs permitting they are kept on a lead at all times in the main areas of the Festival.

We're sorry, but we won't be able to allow dogs near our campfire area for health and safety and food hygiene.

### Weather

As an outdoor festival, we can only hope the temperamental British summer treats us well. Please keep an eye on the forecast and come dressed for whatever the elements throw our way.

The Sunnywood Project wish to extend a massive thank you to all of our hardworking volunteers, staff and workshop leaders.
